The Owner and Maintenance Handbooks of the available cars were compiled by FCA Technical Services. All data contained in the Owner and Maintenance Handbooks is purely indicative. FCA reserves the right to make changes to the model described at any time for technical or commercial reasons through FCA Technical Services - Service Engineering.

The Uconnect LIVE application was created and developed in collaboration with Accenture S.p.A. ("**Accenture**"), with registered offices at Via Quadrio 17, 20154, Milan, Italy.

The following information is provided about the services developed by Accenture S.p.A.:

- The traffic information service was developed by TOMTOM International B.V. ("**TOMTOM**"), with registered offices at 114 Oosterdoksstraat, 1011DK, Amsterdam, Netherlands;
- The infotainment services (e.g. internet radio, music, social media, news) are provided via a platform developed by NUANCE Communications Ireland Limited ("**NUANCE**"), with registered offices at Merrion Road 20, Ballsbridge, Dublin, Ireland;
- Accenture declares that it uses open source software and the list of such software can be found on the website <http://www.driveuconnect.eu/en/support/legalnotes>.

The above parties do not guarantee the absence of errors or the accuracy and completeness of the information provided in relation to the Uconnect LIVE services.
